Fun Classes:

Creative Class: Pick 10 Obstacles of your choice and show off what you and your horse can do. Can be bridleless, liberty, driving -walking (no carts).

Gamblers Choice: The rules are different. You have 2 minutes to show your skills. Navigating the obstacles is all that counts. However if a horse steps out with just one foot the obstacle does not count for a score. Each obstacle has a value which is given when show starts. You must be across the finish line when the 2 minutes are up or the score does not count.

Within each Division, a rider can choose two Levels, In Hand or Riding, or both. We encourage doing In Hand and Riding in each. See restrictions for Divisions in rules.
